PROFESSIONAL SUMMARY

B.Sc. Information Technology graduate (2026) with hands-on full stack experience in Python, JavaScript, HTML5, CSS3, Bootstrap and MySQL. Built two database-driven applications, a QR-based web ordering system and a desktop billing system, and contributed to live client web projects during a Web Development internship. Strong foundation in OOP, DBMS and Git/GitHub workflows. Seeking a Python Full Stack Developer role to build real-world applications and grow in modern, AI-assisted development.

TECHNICAL SKILLS

Backend: Python, Object-Oriented Programming (OOP), Web Development
Frontend: HTML5, CSS3, JavaScript, Bootstrap
Databases: MySQL, SQL, DBMS concepts, CRUD operations
Version Control & Tools: Git, GitHub, VS Code

PROJECTS

Scan-N-Dine – QR-Based Canteen Management System
Python, HTML5, CSS3, JavaScript, MySQL, Git, GitHub

- Developed a full stack web application that digitizes canteen food ordering through QR codes to speed up ordering and reduce manual work.
- Designed and implemented a MySQL database managing users, menus and orders.
- Managed source code with Git and GitHub across the project lifecycle.

Cafe Management System – Desktop Application
Python, MySQL, OOP

- Built a desktop application for billing and customer management.
- Implemented complete CRUD (Create, Read, Update, Delete) operations on a MySQL database.
- Applied OOP principles to write modular, maintainable code.

INTERNSHIP EXPERIENCE

Web Development Intern – Toeliner Online Services Pvt. Ltd. Jun 2025 – Jul 2025

- Worked on live web development projects, supporting the team in building responsive, user-friendly web applications.
- Built dynamic web pages using HTML, CSS, JavaScript, Bootstrap and Python, and integrated them with MySQL databases.
- Optimized website performance while following high coding standards; used GitHub for version control.

IT Education & Training Intern – Kolte Computer Training Center, Ratnagiri Apr 2025

- Conducted training sessions for students in the MS-CIT course (147 hours over 21 days), covering basic computer operations.
- Strengthened communication and presentation skills by explaining technical concepts to learners.

EDUCATION

B.Sc. Information Technology – Gogate Jogalekar College (University of Mumbai) 2023 – 2026
Higher Secondary Certificate (HSC) | Secondary School Certificate (SSC)

SOFT SKILLS

Problem Solving, Teamwork, Communication, Adaptability, Time Management
